

# Car - Brand New

A E  
You get the car  
I'll get the night off F#m  
You'll get the chance to take the world apart and figure out how it works D A E Bm  
Don't let me know what you find out E F#m  
A E  
I need a car  
You need a guide, Who needs a map F#m D  
If I don't die or worse I'm gonna need a nap A E  
At best I'll be asleep when you get back Bm E F#m A  
E F#m D A  
I wanna see it when you find out what comets, stars, and moons are all about  
E F#m D A  
I wanna see their faces turn to backs of heads and slowly get smaller  
E F#m D A  
I wanna see it now  
E F#m D  
I wanna see it now  
A E F#m D  
I want specifics on the general idea  
A E Bm  
I wanna think what I should know  
E F#m A  
Want you to do me what to show  
E F#m D A  
I wanna see movies of my dreams  
E F#m D A  
I wanna see movies of my dreams  
E F#m D A  
I wanna see movies of my dreams  
E F#m D A  
I wanna see movies of my dreams  
E F#m D A  
I wanna see it when you get stoned on a clouded, breezy desert afternoon D A  
E F#m D A  
I wanna see it untame itself and break its owner  
E F#m D A  
I wanna see it now  
E F#m D A  
I wanna see it now
