

I Melt With You - Modern English

Intro: C-F-C-F

(CP: C - F)

Moving forward, using all my breath
Making love to you was never second best
I saw the world rushing all around your face
Never really knowing it was always mesh and lace

*I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you

Dream of better lives
The kind which never hate
Wrapped in a state of imaginary grace
I made a pilgrimage to save this human race
Never comprehending the race had long gone by

The future is open wide
