

# Run - Snow Patrol

<sup>Am</sup> I'll sing it one last time for you <sup>G</sup>  
Then we really have to go <sup>Am</sup> <sup>G</sup>  
You've been the only thing that's right  
In all i've done.

And I can barely look at you  
But every single time I do  
I know we'll make it anywhere  
Anywhere from here

CHORUS:

<sup>C</sup> Light up, Light up <sup>G</sup>  
As if you have a choice <sup>Am</sup>  
Even if you cannot hear my voice <sup>F</sup>  
I'll be right beside you dear  
  
Louder, louder  
And we'll run for our lives  
I can hardly speak I understand  
Why you can't raise your voice to say  
  
To think I might not see those eyes  
It makes it so hard not to cry  
And as we say our long goodbyes  
I nearly do.

CHORUS:

<sup>C</sup> Light up, light up <sup>G</sup>  
As if you have a choice <sup>Am</sup>  
Even if you cannot hear my voice <sup>F</sup>  
I'll be right beside you dear  
  
Louder, louder  
And we'll run for our lives  
I can hardly speak I understand  
Why you can't raise your voice to say

VERSE:

Slower, slower  
We don't have time for that  
All I want is to find an easier way  
To get out of our little heads  
  
Have heart my dear  
We're bound to be afraid  
Even if it's just for a few days  
Making up for all this mess.

CHORUS:

Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you dear.
